We then added the distances up to determine how far we swam each day. We had prizes along the way for various distances and miles swam. It took us 20 days, which means we averaged 14 miles per days. 1760 Yards = 1 mile.
- B. There was one snow/ice day in Jan in which the pool was closed but we swam every other day.
- C. Number of daily swims for BVS Aquatics -510 participants which is 17 folks per day!
- D. Number of Grizzly Swim Team swims when they commenced practice after winter break on Jan 11<sup>th</sup>. Swam 12 days in January ...144 swims (12 kids average per day). That’s a total of 654 swims in Jan.
- E. Tehachapi High School Swim Team begins practice today while their pool is being repaired.

**Sports – Matt Bryant (MB)**

---

- A. Hockey's is in full swing. Fundamental division looks promising for players in the future. The 10U&14U divisions; all three teams are evenly matched resulting in some exciting games.
- B. I am doing another Condors Hockey Fundraiser, Saturday March 12, 2016. This game is Youth jersey night. The Condors now charge \$5.00 for the jersey, in years past they were free. Tickets will be on sale here at the Whiting Center as well as on-line for our fund raiser.
- C. Soccer sign-ups start Monday Feb. 15<sup>th</sup> and go thru March 18<sup>th</sup>. March 18<sup>th</sup> is the start of Spring Break for the schools, I may decide to schedule player evaluations after then so everyone is available. Soccer is end of March to the end of June.
- D. My idea for baseball camp is a little different this year. I want to have a camp the week of July 11<sup>th</sup> for 7 & 8 year olds as well as beginners. This camp I would use the High School players as coaches.
- E. The week of July have a camp for the more experienced ages 9-14. I would use the coaches from last year, those who have the time.
- F. Instead of having a normal league (don't have enough kids for a normal league) follow the camp there would be a Fall Ball season. I would have the 10 and under come out on Tuesday nights at 6:00 P.M. split the kids up and play. Then Thursday night at 6:00PM have the 14 and under come out and do the same thing. This could be a big relief for those kids who have just finished playing a long season of Little League in town.
- G. Volleyball will be same as last year.

Meeting adjourned 5:20 P.M.

Next Meeting: March 2, 2016 - 4:00 P.M. - Wednesday - Equestrian Center.
