OLD BUSINESS:

Cart path #1 turnout pad ----- on hold.

Effluent/Title 22/Reeds in Lakes ----- No update from CSD as of this meeting.

Bridge on #7 ----- In the budget for this year. For more information refer to the IGM report.

Driving range repair ----- replace carpets in spring.

Black tee boxes ----- on hold.

Cross vent windows for #4 bathroom ----- pending- Mark Gonzales had the gable vents removed, due to being short staffed he has not had time to cross ventilate.

Fishing off dam ----- Rules Committee now has this on their agenda. Update to follow.

Tree Removal ----- IGM will continue to remove trees that fall within their jurisdiction.

Brandon is still working on getting Cristo back out to handle the larger trees.

#5 property encroachment ----- cleaned up and completed. IGM will also work on other OB line weed whacking.

#5 turn-around ----- checking on funding for this since road base needs to be purchased.

NEW BUSINESS:

Course inspection---- Sandy Williams and Scott McKettrick will do the last quarter inspection.

Butch read a portion of the article in the Bear Tracks, which was written by Jim Panek and praised the efforts of the GAC members.

Meeting was adjourned at 0915 hrs.

Respectfully, E. R. "Butch" Reyburn, Chair
