AGREEMENT

I understand that this permit will allow me to me to keep the trailer/R.V. identified above on my property for use as a construction facility no longer than six months, or until such time that the exterior of the home is enclosed, whichever time is shorter. I will not place nor allow placement of any other trailer/R.V. on my property during the effective period of this permit. I hereby agree to remove the trailer/RV from the property when this permit has expired. I have read the Bear Valley Springs C&R's paragraph 7b (10), which states that the trailer/RV may be used for storage purposes only, and agree to abide by this constraint.

_____ Date

_____ Signature of Property Owner

Note: The RV shall not be used as a living quarters at any time during construction.

1. May be used for toilet facilities.
2. May be used for cooking and other general purposes during the daytime hours. Grey water and sewage **may not** be dumped on ground.
