

## **PEGGY BERGMAN-SMITH**

I have been on the Board of Directors since last year having been appointed to fill the position vacated by Larry Thompson.

I have lived in Bear Valley for over 20 years after retiring from TRW. I ended my 25 years at the San Diego Division Software Department on the F-22 program. I was a Realtor for 11 years until 2017.

I have a deep commitment to this valley and the residents. I will live here as long as I am physically able. There is a strong feeling of community here for residents of all ages. My commitment to our community is what led me to apply for the vacant board position. I want to give back and serve this incredible place that I call home.

The challenge in any HOA is to remain fiscally sound. Our Association and its employees are an amazing group doing the best job they can. That's the team I want to continue to work with.

I am an equestrian, golfer and avid outdoors person. I live in the perfect place to do all these things and more. There is something for everyone here as long as we are good stewards of our beautiful valley.

## **MONIQUE HERBST**

Hello neighbors,

My name is Monique Herbst and I am asking for your support in my candidacy for re-election to the Bear Valley Springs Association's Board of Directors.

I have lived in the community for 4 years and served you, as members, on the Board of Directors the last 2 years. In addition to the board, I have served on the Finance Committee, Food and Beverage Committee and the Recreation Committee. I have also been involved in the Women's Golf Club and Pickleball Club.

Serving on the Board of Directors the last 2 years has been both a pleasure and a challenge. The future presents us with many challenges to come. Recent events have forced us to open our minds and make vital decisions while re-prioritizing what is in the best interest of the community. We must remain fluid in our decisions as the circumstances change around us. My heart and passion for the continued success of this community is the driving force behind my decisions.

It would be an honor to continue to represent the members' best interests by being re-elected to the Board on this historic 50-year anniversary of Bear Valley Springs.

Sincerely,

Monique Herbst, Incumbent
