

I am Andrea Hicks, better known as Andi Hicks, I am a write-in candidate for the third open seat on the BVSA Board of Directors.

My desire is to achieve a new transparency, inspire homeowners to become more involved, open a new spirit of negotiation and compromise to encourage BVS residents to come together and work to maintain and better our truly unique and precious valley.

I am not a politician. If elected to the board, my position is to LISTEN and LEARN and Strive - to better our community, I have experience in corporate management, finance, organizational and communication skills and am an equestrian and golfer. You may contact me with comments, questions and dialogue at hicks.andi@gmail.com
